PRESENTED BY:

- Shuter Sunset Farms
- Madison County SWCD
- Indiana Conservation Cropping Systems Initiative
- Soil Health Partnership

Join Mike Shuter and other innovative farmers as they share their experiences using soil health systems as a pathway to organic transition.

KEYNOTE SPEAKER: KLAAS MARTENS (tent.)

Klaas is planning to speak at this workshop, however, final confirmation will take place as his own cropping season progresses and the event draws nearer.

MORNING at SHUTER SUNSET FARMS:

- Overview of the operation
- Klaas Martens - Field Presentation
- In-field rotations of organic transitions, new no-till organic equipment launch along with other specialized equipment, cover crops, and soil health indicators

AFTERNOON (INSIDE):

- Lunch
- Keynote Presentation
- Farmer Panel with Klaas Martens and other farmers utilizing soil health systems for an organic transition.
- Information Booths

REGISTRATION and QUESTIONS:

- Online: <https://soilhealth-organic.eventbrite.com>
- By phone - Courtney Pruitt, Madison Co. SWCD
Phone: (765) 644-4249 ext. 3
