

Soil Health Field Day

Tuesday, September 6, 2016

2255 State Road 8
Auburn, IN 46706

“Located on property farmed by Brechbill Farms, Inc.”

Field is north of State Road 8 and west of Interstate 69 (Look for signs)

Cover Crop 14-Way Cocktail after Wheat

8:00 to 8:30 am - Registration & Coffee

8:30 to 9:30 am - Speakers

- **Cameron Mills** - benefits, whys and cost of planting a 14-Way warm season cocktail after wheat.
- **Brechbill Farms, Inc.** - Benoit & Sarah Delbecq

Planting a warm season cocktail “is like putting the soil biology on steroids” and dramatically improves soil biology. *Dan Towery, Field Manager for Soil Health Partnership*
