

Field Day: Growing Farm Returns Through Soil Health

Brought to you by the Soil Health Partnership, a project to make agriculture more productive and sustainable through soil health

August 15, 2017

2:00 to 4:00 p.m.

Illinois Valley Community College, East Campus

Agriculture Lab Building

Building J Room BJ-E116

Hosted by: SHP Farmer John Hochstatter

CCA Credits: 1 hour of IPM and 1 hour of Crop Management

Topics:

SHP Field Manager Jim Isermann and John Hochstatter will discuss basic soil health and cover crop management in preparation for this year's fall cover crop season.

U of I Extension Agronomist, Russel Higgins, will discuss ongoing demonstrations on Dicamba drift and Soybean populations.

IVCC Agriculture Program Coordinator, Willard Mott, will discuss the college's Ag program.
