

**Co-sponsored in part by:**

Marshall County Soil and Water Conservation District  
Ag Conservation Solutions  
North Central Sustainable Agricultural Research and Education

## Field Day: Growing Farm Returns Through Soil Health

Brought to you by the Soil Health Partnership, a project to make agriculture more productive and sustainable through soil health

### June 29<sup>th</sup>, 2017

8:30 a.m. – 12:00 p.m.  
Kirk Kimble Farm  
500 County Rd 550 East,  
Sparland, IL 61565

**Hosted by:** SHP Farmer Kirk Kimble

**Topics:** Soil biology and diversity

Join soil microbiologist Wendy Taheri for an in depth look at Arbuscular Mychorrhizal Fungi and their role in soil health. Topics will include biodiversity management in soils and include 2 soil pits representing different management strategies.

Meal provided for registrants.
