Field Day: Growing Farm Returns Through Soil Health

Brought to you by the Soil Health Partnership, a project to make agriculture more productive and sustainable through soil health

June 29th, 2017

8:30 a.m. – 12:00 p.m.
Kirk Kimble Farm
500 County Rd 550 East,
Sparland, IL 61565

Hosted by: SHP Farmer Kirk Kimble

Topics: Soil biology and diversity

Join soil microbiologist Wendy Taheri for an in depth look at Arbuscular Mychorrhizal Fungi and their role in soil health. Topics will include biodiversity management in soils and include 2 soil pits representing different management strategies.

Meal provided for registrants.
